

## Haleigh Jones Attorney

Haleigh has broad commercial litigation experience representing both plaintiffs and defendants at every stage of lawsuits involving breach of contract, breach of fiduciary duty, fraud, business divorce, real estate, and aviation. Haleigh has distinguished herself as an associate by her maturity in the courtroom. She has briefed and argued motions at every stage of litigation, deposed fact and expert witnesses, successfully mediated disputes at their infancy and on the eve of trial, tried and won cases as lead counsel, and briefed appeals and prepared oral argument. While Haleigh has a passion for advocacy, she understands that the most effective solution to a legal dispute is often a business solution. To that end, Haleigh's focus in every case is leveraging business solutions to resolve a dispute at the earliest moment possible while maximizing the result for her client.

The most important component of Haleigh's practice is service to others. She is an attentive and zealous advocate for her clients, as well as a servant of the local and state bar. She serves as the Vice-Chair of the 2022 Dallas Association of Young Lawyers and the Chair of the 2022 Dallas Association of Young Lawyers Foundation. Haleigh has participated in multiple leadership classes hosted by the State Bar of Texas and local bar associations. She also volunteers her time to coach SMU law students in moot court programs that compete nationally.

During her time as a law student competitor, Haleigh won regional and national moot court competitions. In her final year of law school, Haleigh was recognized as a top-three advocate nationally by the American Bar Association, was named the Outstanding Graduating Advocate of SMU Dedman School of Law's graduating class, and was inducted into the prestigious National Order of the Barristers.

The advocacy skills Haleigh developed in law school have played a fundamental role in Haleigh's ability to earn recognition and results early in her career. She is known for her ability to communicate effectively with courts in writing and in argument. Those skills have earned her recognition on D Magazine's List of "Best Lawyers Under 40" since 2021 and on Thomson Reuters' list of "Rising Stars" in the area of business litigation since 2019.

Prior to attending law school, Haleigh studied Spanish and Political Science at the University of Cincinnati, and worked in D.C. for Cincinnati Congressman Steve Chabot of the First District of Ohio. She joined Crawford, Wishnew & Lang PLLC after clerking for the Honorable Justice Douglas Lang of the Fifth District Court of Appeals of Texas and beginning her practice at an American Lawyer top-50 firm.
